As of their respective dates, the SEC Documents complied in all material respects with the requirements of the Securities Act and the Exchange Act, as applicable. None of the SEC Documents, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of Parent included in the SEC Documents comply in all material respects with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing. Such financial statements have been prepared in accordance with United States generally accepted accounting principles applied on a consistent basis during the periods involved (“**GAAP**”), except as may be otherwise specified in such financial statements or the notes thereto and except that unaudited financial statements may not contain all footnotes required by GAAP, and fairly present in all material respects the financial position of Parent and its consolidated subsidiaries as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, immaterial, year-end audit adjustments. All non-GAAP financial information included in the SEC Documents complies with the requirements of Regulation G and Item 10 of Regulation S-K regarding the use of non-GAAP financial information. Except as set forth in the SEC Documents, Parent has received no notices or correspondence from the SEC for the one year preceding the date hereof. The SEC has not commenced any enforcement proceedings against Parent or any of its subsidiaries.

5.6. Brokers. 5.7. Absence of Certain Changes. Except as disclosed in the SEC Documents, since March 31, 2014, there has been no Material Adverse Effect. Parent has not taken any steps, and does not currently expect to take any steps, to seek protection pursuant to any bankruptcy Law nor does Parent or any of its subsidiaries have any knowledge or reason to believe that its creditors intend to initiate involuntary bankruptcy or insolvency proceedings.

5.8. Issuance of Shares. Except for the restrictions set forth in the Lockup Agreement, all shares of Common Stock to be issued to D-Vasive or its designees pursuant to this Agreement will, when issued pursuant to the terms of this Agreement, be duly authorized, validly issued, fully paid and nonassessable and free of preemptive rights, and free and clear of all liens and encumbrances and free of any restriction on transfer, other than restrictions on transfer under applicable federal and state securities laws.

5.9. Absence of Litigation. Except as disclosed in the SEC Documents, there is no action, suit, proceeding, inquiry or investigation before or by any court, public board, government agency, self-regulatory organization or body pending or, to the knowledge of Parent or any of its subsidiaries, threatened against or affecting Parent, the Common Stock or any of Parent's or its subsidiaries' officers or directors in their capacities as such, which could reasonably be expected to have a Material Adverse Effect.

5.10. Tax Status. Parent and each of its subsidiaries has made or filed all federal and state income and all other material tax returns, reports and declarations required by any jurisdiction to which it is subject (unless and only to the extent that Parent and each of its subsidiaries has set aside on its books provisions reasonably adequate for the payment of all unpaid and unreported taxes) and has paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and has set aside on its books provision reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Parent know of no basis for any such claim.

5.11. Cash at Closing. There shall be \$1,500,000 cash on hand on the consolidated balance sheet of the Parent at the Closing (prior to delivery of the Closing Cash).

ARTICLE VI COVENANTS

6.1. Access to Information.

(a) For a period of three (3) years after the Closing Date, upon reasonable prior written notice, the Parties shall furnish or cause to be furnished to each other and their employees, agents, auditors and representatives access, during normal business hours, to such information, books and records relating to the Business and the Assets as is reasonably necessary for financial reporting and accounting matters, the preparation and filing of Tax Returns, reports or forms for the defense of any Tax claims, assessments, audits or disputes, or the prosecution or defense of any Action and shall cooperate with each other to the extent reasonably requested for the preparation of such financial reporting, accounting and Tax matters, provided, that with respect to any Tax Returns or other records relating to Tax matters or any other Action, a Party shall have reasonable access to such information until the applicable statute of limitations, if any, shall have expired, and provided, further, that in either case such access shall be subject to reasonable and customary restrictions with respect to confidentiality. Each Party shall have the right to copy any of such records at its own expense. No Party shall be required by this Section 6.1(a) to take any action that would unreasonably interfere with the conduct of its business or unreasonably disrupt its normal operations. Further, the Parties understand that it is the intention of D-Vasive to terminate all operations following closing and to liquidate its assets to its shareholders and as required, to creditors, prior to the three (3) year term reflected above.

(b) Sellers and Buyer each agree to preserve, for at least three (3) years after the Closing Date, all material books, ledgers and other records that are (i) reasonably related to the Business or Assets and (ii) in their possession; provided, that each Party will preserve all such material books, ledgers and other records relating to Tax matters until expiration of the applicable statute of limitations. Notwithstanding the foregoing, Buyer and Parent understand that it is the intention of Sellers to terminate all operations following closing and to liquidate its assets to its members and as required, to creditors, prior to the three (3) year term reflected above.

(c) On and after the Closing Date, Sellers and Buyer will take all appropriate action and execute all documents, instruments or conveyances of any kind which may be reasonably necessary or advisable to carry out the intent and purposes of this Agreement and the Collateral Agreements, including putting Buyer in possession and operating control of the Business and the Assets.

6.2. Confidentiality.

(a) After the Closing Date, Sellers will not, and Sellers will use reasonable commercial efforts to cause its Affiliates not to, use for its or their own benefit or divulge or convey to any Third Party, any Buyer or Parent Confidential Information relating to the Business or the Assets.

(b) After the Closing Date, Buyer and Parent will not, and Buyer and Parent will use reasonable commercial efforts to cause its Affiliates not to, use for its or their own benefit or divulge or convey to any Third Party, any Sellers Confidential Information.

(c) Notwithstanding the foregoing, neither Sellers nor Buyer or Parent shall be deemed to have violated this Section 6.3 if it or any of its Affiliates receives a request to disclose all or any part of the Buyer or Parent Confidential Information or Sellers Confidential Information, as applicable, in a legal proceeding or under the terms of a subpoena, civil investigative demand or order issued by a Governmental Body, and it or such Affiliate, to the extent not inconsistent with such request and to the extent time reasonably allows: (i) notifies the other party of the existence, terms and circumstances surrounding such request; and (ii) furnishes only such portion of the Buyer or Parent Confidential Information or Sellers Confidential Information, as applicable, which it is advised by its counsel is legally obligated to be disclosed and exercises reasonable efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to the disclosed Buyer Confidential Information or Sellers Confidential Information, as applicable.

(d) For purposes of this Agreement, "**Sellers Confidential Information**" consists of all information, knowledge or data that is not related solely to the Business, Assets or the Purchased Contracts and that is not in the public domain or otherwise publicly available which are treated as confidential by Sellers as of the date hereof, provided, that Sellers Confidential Information shall not include information that: (i) enters the public domain or becomes publicly available, so long as neither Buyer nor any of its Affiliates, directly or indirectly, improperly causes such information to enter the public domain, (ii) after the date of this Agreement becomes known to Buyer or any of its Affiliates on a non-confidential basis from a source that is not prohibited from disclosing such information to Buyer or such Affiliate by a contractual or other legal duty owed to Sellers, or (iii) after the date of this Agreement is developed independently by Buyer or any Affiliate of Buyer without violation of this Agreement.

(e) For purposes of this Agreement, “**Buyer Confidential Information**” consists of all information, knowledge or data related to the Buyer and/or Parent or its business not in the public domain or otherwise publicly available which are treated as confidential by Buyer or Parent as of the date hereof, provided that Buyer Confidential Information shall not include information that: (i) enters the public domain or becomes publicly available, so long as neither Sellers nor any of its Affiliates, directly or indirectly, improperly causes such information to enter the public domain, (ii) after the date of this Agreement becomes known to Sellers or any of its Affiliates on a non-confidential basis from a source that is not prohibited from disclosing such information to Sellers or such Affiliate by a contractual or other legal duty owed to Buyer, or (iii) after the date of this Agreement is developed independently by Sellers or any Affiliate of Sellers without violation of this Agreement.

(f) The Buyer or Parent and the Sellers shall not issue any press release nor otherwise make any public statement regarding the transactions contemplated hereby without the prior written consent of the other party, except as required by law or regulation or as otherwise determined by a Party and its counsel. Notwithstanding the foregoing, Buyer and Parent shall have the right to issue press releases and publicly reference the acquisition of Sellers upon Closing.

6.3. Payment of Liabilities. Buyer and Parent agree and acknowledge that the Purchase Price to be paid pursuant to the Escrow Agreement is intended to compensate D-Vasive for the satisfaction of various liabilities and obligations of D-Vasive, whether existing at Closing or arising thereafter. To that end, D-Vasive agrees and acknowledges that the Escrow Shares shall be available to secure any claims that may arise with respect to the Sellers’ representations, warranties, indemnification obligations or covenants, including the covenants set forth in this Section 6.3, pursuant to this Agreement.

6.4. Noncompetition. Except for any work done for and on behalf of Wyoming Tech, or any customers or affiliates of Wyoming Tech, for a period of eighteen months (18) after the Closing Date, D-Vasive and Professor Eric N. Johnson shall not, and for a period of six months (6) after the Closing Date, Henrik B. Christophersen, R. Wayne Pickell and D-Vasive shall not, directly or indirectly, invest in, own, manage, operate, finance, control, advise, render services to or guarantee the obligations of any Person engaged in or planning to become engaged in the commercial use or commercial development of the Assets, or any enhancements thereon, as intended to be used by the Buyer, Parent or any of Parent’s subsidiaries for tethered UAVs. For the avoidance of doubt, the restrictions set forth in the Section 6.4 shall not apply to the commercial use or commercial development of Contributing IP.

6.5. Cooperation. After the Closing, and continuing for one (1) year from the Closing Date, to the extent it remains in existence, Sellers will cooperate with Buyer in its efforts to continue and maintain for the benefit of Buyer those business relationships of Sellers existing prior to the Closing and relating to the Business to be operated by Buyer after the Closing, including relationships with lessors, employees, regulatory authorities, licensors, customers, suppliers and others, which reasonably requested cooperation shall include, without limitation, assisting the Buyer from time to time with technical and engineering matter associated with updating and maintaining the applications forming the core part of the Business. Sellers will refer to Buyer all inquiries relating to such Business. Neither the Sellers nor the members of the Sellers shall take any action that would tend to diminish the value of the Assets after the Closing or that would interfere with the Business of Buyer to be engaged in after the Closing.

ARTICLE VII
SURVIVAL AND INDEMNIFICATION

7.1. Survival of Representations and Warranties. The representations and warranties of Buyer, Parent and Sellers contained in this Agreement or in any other certificate, writing or agreement delivered pursuant hereto or in connection herewith shall survive the Closing Date for one (1) year, except (i) as to any matter as to which a good faith claim has been submitted in writing to the other Party describing the claim in reasonable detail before such date and identified as a claim for indemnification pursuant to this Article VII, (ii) as to any matter which is based successfully upon fraud with respect to which the cause of action shall expire only upon expiration of the applicable statute of limitations, and (iii) those representations and warranties set forth in Section 4.4(b) (title to the Assets), which shall survive for the applicable statute of limitations period, and Sections 4.8 (Taxes), and 4.10 (Environmental Matters), and 4.15 (Proprietary Rights), which shall survive until the expiration of the applicable statute of limitations.

7.2. Obligations of Sellers. Subject to the other terms and conditions of this Article VII, Sellers shall indemnify, defend and hold harmless Buyer and Parent and its shareholders, directors, officers, employees, Affiliates, agents, representatives and permitted assigns, from and against any and all liabilities, losses, damages, costs and expenses (including reasonable attorney's fees and costs) (collectively, "**Losses**"), directly or indirectly, as a result of, in connection with, or based upon or arising from any of the following: (i) any inaccuracy in or breach or non performance of any of the representations, warranties, covenants or agreements made by Sellers in this Agreement or any Collateral Agreement; (ii) the failure of Sellers to perform fully any covenant, provision or agreement to be performed or observed by it pursuant to this Agreement or any Collateral Agreement; (iii) any other matter as to which Sellers in other provisions of this Agreement or any Collateral Agreement has agreed to indemnify Buyer; (iv) any product, information, or service ever manufactured, produced, distributed, published, used, provided, or sold by or on behalf of D-Vasive; (v) any Intellectual Property ever owned, used, or developed by D-Vasive that infringed, misappropriated, or otherwise violated the intellectual property rights of any other Person; or (vi) any Excluded Liability.

7.3. Obligations of Buyer/Parent. Subject to the other terms and conditions of this Article VII, Buyer and Parent shall indemnify, defend and hold harmless Sellers and its members, managers, officers, employees, Affiliates, agents, representatives and permitted assigns from and against any and all Losses, directly or indirectly, as a result of, in connection with, or based upon or arising from any of the following: (i) any inaccuracy in or breach or non performance of any of the representations, warranties, covenants or agreements made by Buyer or Parent in or pursuant to this Agreement or any Collateral Agreement; (ii) the failure of Buyer or Parent to perform fully any covenant, provision or agreement to be performed or observed by it pursuant to this Agreement or any Collateral Agreement; (iii) any other matter as to which Buyer in other provisions of this Agreement has agreed to indemnify Sellers; or (iv) any Assumed Liability.

7.4. Notice of Loss. The Indemnified Party with respect to any Loss shall give prompt notice thereof to the Indemnifying Party.

7.5. Defense. In the event any Third Party shall make a demand or claim or file or threaten to file or continue any lawsuit, which demand, claim or lawsuit may result in liability to an Indemnified Party in respect of matters covered by the indemnity under this Agreement, or in the event that a potential Loss, damage or expense comes to the attention of any Party in respect of matters embraced by the indemnity under this Agreement, then the Party receiving notice or becoming aware of such event shall promptly notify the other Party in writing of the demand, claim or lawsuit. Within thirty (30) days after written notice by the Indemnified Party (the “**Notice**”) to an Indemnifying Party of such demand, claim or lawsuit, except as provided in the next sentence, the Indemnifying Party shall have the option, at its sole cost and expense, to retain counsel to defend any such demand, claim or lawsuit; provided that counsel who will conduct the defense of such demand, claim or lawsuit will be approved by the Indemnified Party whose approval will not unreasonably be withheld. The Indemnified Party shall have the right, at its own expense, to participate in the defense of any suit, action or proceeding brought against it with respect to which indemnification may be sought hereunder; provided, if (i) the named parties to any such proceeding (including any impleaded parties) include both the Indemnifying Party and the Indemnified Party, representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them, and the Indemnifying Party has not retained separate counsel for the Indemnified Party, (ii) the employment of counsel by such Indemnified Party has been authorized in writing by the Indemnifying Party, or (iii) the Indemnifying Party has not in fact employed counsel to assume the defense of such action within a reasonable time; then, the Indemnified Party shall have the right to retain its own counsel at the sole cost and expense of the Indemnifying Party, which costs and expenses shall be paid by the Indemnifying Party on a current basis. No Indemnifying Party, in the defense of any such demand, claim or lawsuit, will consent to entry of any judgment or enter into any settlement without the prior written consent of the Indemnified Party. If any Indemnified Party will have been advised by counsel chosen by it that there may be one or more legal defenses available to such Indemnified Party which are different from or in addition to those which have been asserted by the Indemnifying Party and counsel retained by the Indemnifying Party declines to assert those defenses, then, at the election of the Indemnified Party, the Indemnifying Party will not have the right to continue the defense of such demand, claim or lawsuit on behalf of such Indemnified Party and will reimburse such Indemnified Party and any Person controlling such Indemnified Party on a current basis for the reasonable fees and expenses of any counsel retained by the Indemnified Party to undertake the defense. In the event that the Indemnifying Party shall fail to respond within thirty (30) days after receipt of the Notice, the Indemnified Party may retain counsel and conduct the defense of such demand, claim or lawsuit, as it may in its sole discretion deem proper, at the sole cost and expense of the Indemnifying Party, which costs and expenses shall be paid by the Indemnifying Party on a current basis. Failure to provide Notice shall not limit the rights of such party to indemnification, except to the extent the Indemnifying Party’s defense of the action is actually prejudiced by such failure. The assumption of the defense, or the non-assumption of the defense, by the purported Indemnifying Party will not affect such party’s right to dispute its obligation to provide indemnification hereunder.

7.6. Notice by the Parties. Each Party agrees to promptly notify the other of any liabilities, claims or misrepresentations, breaches or other matters covered by this Article VII upon discovery or receipt of notice thereof.

7.7. Limitations. Except in the case of Losses arising from a Seller’s fraud or willful and intentional breach, the indemnification provided hereunder by the Sellers shall be limited to the Purchase Price. Furthermore, each Indemnified Party entitled to indemnification hereunder shall take all reasonable steps to mitigate all losses, costs, expenses and damages after becoming aware of any event which could reasonably be expected to give rise to any Losses that are indemnifiable or recoverable hereunder.

EXCEPT FOR LOSSES ARISING FROM A PARTY’S FRAUD OR WILLFUL AND INTENTIONAL BREACH, IN NO EVENT SHALL ANY PARTY TO THIS AGREEMENT BE LIABLE UNDER ANY THEORY OF TORT, CONTRACT, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY FOR ANY CONSEQUENTIAL, EXEMPLARY, PUNITIVE, SPECIAL, INCIDENTAL OR INDIRECT DAMAGES CLAIMED BY ONE OR MORE PARTIES HERETO AGAINST ANOTHER PARTY HERETO, EACH OF WHICH IS HEREBY EXCLUDED BY AGREEMENT OF THE PARTIES REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE OR SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

7.8. Insurance Benefits; Tax Proceeds. The amount of Losses recoverable by any Indemnified Party under this Agreement with respect to an indemnity claim shall be reduced by (a) the amount of any payment actually received by or on behalf of any Indemnified Party from any insurance policy net of any deductibles or other reasonable amounts payable with respect thereto, and (b) the amount of any net Tax benefits available to any Indemnified Party from the incurrence or payment of such Losses.

7.9. Exclusive Remedy. The indemnification rights provided in this Article VII shall be the sole and exclusive remedy available to the Parties (including Indemnified Parties other than Buyer or Sellers) for any Losses related to an inaccuracy in or breach or nonperformance of any of the terms, conditions, covenants, agreements, representations or warranties contained herein or in any of the other Collateral Agreements or any right, claim or action arising from the transactions contemplated hereunder or thereunder, and each Party hereby waives, to the fullest extent permitted by applicable Laws, any other rights or remedies that may arise under any applicable Laws.

7.10. Survival. This Article VII shall survive the Closing. The obligations set forth in Sections 7.2 and 7.3 shall remain in effect until the later of the one (1) year anniversary of the Closing or any applicable statute of limitations. Any matter as to which a good faith claim has been asserted by notice to the other Party that is pending or unresolved at the end of any applicable limitation period set forth in Section 7.1 shall continue to be covered by this Article VII until such matter is finally terminated or otherwise resolved by the Parties or by a court of competent jurisdiction and any amounts payable hereunder are finally determined and paid.

The Consultant’s Base Compensation may be increased by the Board of Directors (the “Board”). Once increased, such increased amount shall constitute the Consultant’s Base Compensation.

b. Discretionary Bonus. The Consultant shall be eligible to earn a cash and/or equity bonus as the Board may determine, from time to time, based on meeting performance objectives and bonus criteria to be mutually identified by the Consultant and the Board. Such objectives and criteria may be based on a favorable sale or merger of the Company, in addition to operating metrics.

c. Value Bonuses. If, during the first twelve (12) months of the initial Term of this Agreement, the volume weighted average price ("VWAP") of the Company's common stock is equal to or greater than \$1.00 for each of ten (10) consecutive trading days on the NYSE MKT exchange, then Consultant shall be entitled to receive a cash bonus in the amount of \$250,000 to paid within thirty (30) days of such triggering event. If, during the first twelve (12) months of the initial Term of this Agreement, the VWAP of the Company's common stock is equal to or greater than \$2.00 for each of ten (10) consecutive trading days on the NYSE MKT exchange, then Consultant shall be entitled to receive an additional cash bonus in the amount of \$350,000 to paid within thirty (30) days of such triggering event.

3. Expenses: The Company shall reimburse Consultant for all pre-approved travel and other expenses incurred. Consultant shall provide receipts and vouchers to the Company for all expenses for which reimbursement is claimed.

4. Independent Contractor: Consultant shall be an independent contractor and no personnel utilized by Consultant in providing services hereunder shall be deemed an employee of the Company except as otherwise set forth in any written employment agreement. Consultant shall have the sole and exclusive responsibility and liability for making all reports and contributions, withholdings, payments and taxes to be collected, withheld, made and paid with respect to persons providing services to be performed hereunder on behalf of the Company, whether pursuant to any social security, unemployment insurance, worker's compensation law or other federal, state or local law now in force and effect hereafter enacted.

5. Term: The term of this Agreement shall commence on the Effective Date and shall continue for twenty-four (24) months, unless earlier terminated in accordance with the terms hereof. The term of this Agreement shall be automatically renewed for successive one (1) year periods until the Consultant or the Company delivers to the other party a written notice of their intent not to renew the term, such written notice to be delivered at least sixty (60) days prior to the expiration of the then-effective term. Each of the initial 24-month period and each successive one (1) year period shall be known as a "Term."

6. Confidential Information: Consultant recognizes and acknowledges that by reason of Consultant's service to the Company before, during and, if applicable, after the Term, Consultant will have access to certain confidential and proprietary information relating to the Company's business, which may include, but is not limited to, trade secrets, trade "know-how," and plans, financing services, funding programs, costs, strategy and programs, computer programs and software and financial information (collectively referred to as "Confidential Information"). Consultant acknowledges that such Confidential Information is a valuable and unique asset of the Company and Consultant covenants that it will not, unless expressly authorized in writing by the Company, at any time during the course of Consultant's service, use any Confidential Information or divulge or disclose any Confidential Information to any person, firm or corporation except in connection with the performance of Consultant's duties for the Company and in a manner consistent with the Company's policies regarding Confidential Information. Consultant also covenants that at any time after the termination of such service, directly or indirectly, it will not use any Confidential Information or divulge or disclose any Confidential Information to any person, firm or corporation, unless such information is in the public domain through no fault of Consultant or except when required to do so by a court of law, by any governmental agency having supervisory authority over the business of the Company or by any administrative or legislative body (including a committee thereof) with apparent jurisdiction to order Consultant to divulge, disclose or make accessible such information. All written Confidential Information (including, without limitation, in any computer or other electronic format) which comes into Consultant's possession during the course of Consultant's service shall remain the property of the Company. Except as required in the performance of Consultant's duties for the Company, or unless expressly authorized in writing by the Company, Consultant shall not remove any written Confidential Information from the Company's premises, except in connection with the performance of Consultant's duties for the Company and in a manner consistent with the Company's policies regarding Confidential Information. Upon termination of Consultant's service, the Consultant agrees to return immediately to the Company all written Confidential Information (including, without limitation, in any computer or other electronic format) in Consultant's possession. As a condition of Consultant's continued engagement by the Company and in order to protect the Company's interest in such proprietary information, the Company shall require Consultant's execution of a Confidentiality Agreement and a form reasonably acceptable to the Company.

7. Non-Competition; Non-Solicitation.

a. Non-Compete. The Consultant hereby covenants and agrees that during the term of this Agreement and for a period of two years following the end of the Term, the Consultant will not, without the prior written consent of the Company, directly or indirectly, on its own behalf or in the service or on behalf of others, whether or not for compensation, engage in any business activity, or have any interest in any person, firm, corporation or business, through a subsidiary or parent entity or other entity (whether as a shareholder, agent, joint venture, security holder, trustee, partner, Consultant, creditor lending credit or money for the purpose of establishing or operating any such business, partner or otherwise) with any Competing Business in the Covered Area. For the purpose of this Section 7(a), (i) "Competing Business" means any company engaged in acquiring and or monetizing the "Assets" as defined in the Asset Purchase Agreement (the "Asset Purchase Agreement") dated of the even date by and among the Company, MGT Cybersecurity, Inc., D-Vasive Inc. and shareholders of D-Vasive Inc. ; and (ii) "Covered Area" means all geographical areas of the United States and foreign jurisdictions where the Company may operate. Notwithstanding the foregoing, the Consultant may own shares of companies so long as such securities do not constitute more than ten percent (10%) of the outstanding securities of any such company.

b. Non-Solicitation. The Consultant further agrees that as long as the Agreement remains in effect and for a period of one (1) year from its termination, the Consultant will not divert any business of the Company and or any affiliate of the Company and/or the Company's and/or its affiliates' business to any other person, entity or competitor, or induce or attempt to induce, directly or indirectly, any person to leave his or her employment with the Company.

c. Remedies. The Consultant acknowledges and agrees that its obligations provided herein are necessary and reasonable in order to protect the Company and its affiliates and their respective business and the Consultant expressly agrees that monetary damages would be inadequate to compensate the Company and/or its affiliates for any breach by the Consultant of its covenants and agreements set forth herein. Accordingly, the Consultant agrees and acknowledges that any such violation or threatened violation of this Section 7 will cause irreparable injury to the Company and that, in addition to any other remedies that may be available, in law, in equity or otherwise, the Company and its affiliates shall be entitled to obtain injunctive relief against the threatened breach of this Section 7 or the continuation of any such breach by the Consultant without the necessity of proving actual damages.

8. Termination. This Agreement shall terminate prior to the expiration of any Term (i) upon termination of the Executive Employment Agreement between the Company and John McAfee (the "McAfee Agreement") in accordance with the provisions thereof or (ii) with or without cause without any penalty in the event the transaction contemplated in the Asset Purchase Agreement does not close within 120 days of the date of this Agreement.

a. Termination of McAfee Agreement without Cause or for Good Reason. If the McAfee Agreement is terminated by the Company other than for Cause (as defined therein) or as a result of John McAfee's death or Permanent Disability (as defined therein), or if the McAfee Agreement is terminated by Mr. McAfee for Good Reason (as defined therein) prior to its expiration date, Consultant shall receive or commence receiving as soon as practicable in accordance with the terms of this Agreement:

(i) a severance payment (the "Severance Payment"), which amount shall be paid in a cash lump sum within ten (10) days of the date of termination, in an amount equal to the higher of the aggregate amount of the Consultant's Base Compensation for the then remaining term of this Agreement or twelve times the average monthly Base Compensation paid or accrued during the three full calendar months immediately preceding such termination;

(ii) expense reimbursement which shall be paid in a lump sum payment within ten (10) days of the date of termination, in an amount equal Consultant's reimbursed expenses set forth in Section 3 hereof; and

(iii) payment in respect of compensation earned but not yet paid (the "Compensation Payment") which amount shall be paid in a cash lump sum within ten (10) days of the date of termination.

The following provisions shall apply in the event compensation provided in Section 8(a) becomes payable to the Consultant:

(i) if the severance compensation provided for in Section 8(a)(ii) above cannot be finally determined on or before the tenth day following such termination, the Company shall pay to the Consultant on such day an estimate, as determined in good faith by the Company of the minimum amount of such compensation and shall pay the remainder of such compensation (together with interest at the Federal short-term rate provided in Section 1274(d)(1)(C)(i) of the Code) as soon as the amount thereof can be determined but in no event later than the thirtieth day after the Date of Termination. In the event the amount of the estimated payment exceeds the amount subsequently determined to have been due, such excess shall constitute a loan by the Company to the Consultant payable on the fifth day after demand by the Company (together with interest at the Federal short-term rate provided in Section 1274(d)(1)(C)(i) of the Code).

(ii) If the payment of the Total Payments (as defined below) will be subject to the tax (the "Excise Tax") imposed by Section 4999 of the Code, the Company shall pay the Consultant on or before the tenth day following the Date of Termination, an additional amount (the "Gross-Up Payment") such that the net amount retained by the Consultant, after deduction of any Excise Tax on Total Payments and any federal and state and local income tax and Excise Tax upon the payment provided for by this paragraph, shall be equal to the Total Payments. For purposes of determining whether any of the payments will be subject to the Excise Tax and the amount of such Excise Tax, (A) any payments or benefits received or to be received by the Consultant in connection with a Change in Control of the Company or the Consultant's termination, whether payable pursuant to the terms of this Agreement or any other plan, arrangement or agreement with the Company, its successors, any person whose actions result in a Change in Control of the Company or any corporation affiliated or which, as a result of the completion of transaction causing such a Change in Control, will become affiliated with the Company within the meaning of Section 1504 of Code (the "Total Payments") shall be treated as "parachute payments" within the meaning of Section 280G(b)(2) of the Code, and all "excess parachute payments" within the meaning of Section 280G(b)(1) shall be treated as subject to the Excise Tax, unless, in the opinion of tax counsel selected by the Company's independent auditors and acceptable to the Consultant, the Total Payments (in whole or in part) do not constitute parachute payments, or such excess parachute payments (in whole or in part) represent reasonable compensation for services actually rendered within the meaning of Section 280G(b)(4) of the Code either in their entirety or in excess of the base amount within the meaning of Section 280G(b)(3) of the Code, or are otherwise not subject to the Excise Tax, (B) the amount of the Total Payments that shall be treated as subject to the Excise Tax shall be equal to the lesser of (I) the total amount of the Total Payments or (II) the amount of excess parachute payments or benefit shall be determined by the Company's independent auditors in accordance with the principles of Section 280G of the Code. For purposes of determining the amount of the Gross-Up Payment, the Consultant shall be deemed to pay federal income taxes at the highest marginal rate of federal income taxation in the calendar year in which the Gross-Up Payment is to be made and state and local income taxes at the highest marginal rate of taxation in the state and locality of the Consultant's residence on the Date of Termination, net of the maximum reduction in federal income taxes which could be obtained from deduction of such state and local taxes. In the event the Excise Tax is subsequently determined to be less than the amount taken into account hereunder at the time of termination of the Consultant's service, the Consultant shall repay to the Company at the time the amount of such reduction in Excise Tax is finally determined the portion of the Gross-Up Payment that can be repaid such that the Consultant remains whole on an after-tax basis following such repayment (taking into account any reduction in income or excise taxes to the Consultant from such repayment) plus interest on the amount of such repayment at the Federal short-term rate provided in Section 1274(d)(1)(C)(i) of the Code. In the event the Excise Tax is determined to exceed the amount taken into account hereunder at the time of the termination of the Consultant's service (including by reason of any payment the existence or amount of which cannot be determined at the time of the Gross-Up Payment), the Company shall make an additional gross-up payment in respect of such excess (plus any interest payable with respect to such excess) at the time that the amount of such excess is finally determined.

(iii) This Agreement is intended to comply with the requirements of Section 409A of the Internal Revenue Code (the "Code") or an exemption or exclusion therefrom. Each payment under this Agreement shall be treated as a separate payment for purposes of Section 409A of the Code. In no event may Consultant, directly or indirectly, designate the calendar year of any payment to be made under this Agreement. All reimbursements and in-kind benefits provided under this Agreement that constitute deferred compensation within the meaning of Section 409A of the Code shall be made or provided in accordance with the requirements of Section 409A of the Code, including, without limitation, that (i) in no event shall reimbursements by the Company under this Agreement be made later than the end of the calendar year next following the calendar year in which the applicable fees and expenses were incurred, provided that Consultant shall have submitted an invoice for such fees and expenses at least 10 days before the end of the calendar year next following the calendar year in which such fees and expenses were incurred; (ii) the amount of in-kind benefits that the Company is obligated to pay or provide in any given calendar year (other than medical reimbursements described in Treas. Reg. § 1.409A-3(i)(1)(iv)(B)) shall not affect the in-kind benefits that the Company is obligated to pay or provide in any other calendar year; (iii) Consultant's right to have the Company pay or provide such reimbursements and in-kind benefits may not be liquidated or exchanged for any other benefit; and (iv) in no event shall the Company's obligations to make such reimbursements or to provide such in-kind benefits apply later than Consultant's remaining lifetime or if longer, through the 20th anniversary of the Effective Date. To the extent Consultant is a "specified employee," as defined in Section 409A(a)(2)(B)(i) of the Code and the regulations and other guidance promulgated thereunder and any elections made by the Company in accordance therewith, notwithstanding the timing of payment provided in any other Section of this Agreement, no payment, distribution or benefit under this Agreement that constitutes a distribution of deferred compensation (within the meaning of Treasury Regulation Section 1.409A-1(b)) upon separation from service (within the meaning of Treasury Regulation Section 1.409A-1(h)), after taking into account all available exemptions, that would otherwise be payable, distributable or settled during the six-month period after separation from service, will be made during such six-month period, and any such payment, distribution or benefit will instead be paid, distributed or settled on the first business day after such six-month period; provided, however, that if Consultant dies following the Date of Termination and prior to the payment, distribution, settlement or provision of the any payments, distributions or benefits delayed on account of Section 409A of the Code, such payments, distributions or benefits shall be paid or provided to the personal representative of Consultant's estate within 30 days after the date of Consultant's death.

b. Termination of McAfee Agreement as a Result of Permanent Disability. If the McAfee Agreement is terminated by reason of Permanent Disability as defined therein, the Consultant shall receive or commence receiving, as soon as practicable, the Compensation Payment which shall be paid to Consultant as a cash lump sum within 30 days of such termination.

c. Termination of McAfee Agreement as a Result of Death. In the event that the McAfee Agreement terminates as a result of death, the Consultant shall receive or commence receiving, as soon as practicable in accordance with the terms of this Agreement:

(i) compensation equal to one year's Base Compensation (calculate by multiplying the average monthly Base Compensation paid or accrued for the three full calendar months immediately such event), which shall be paid within 30 days of such termination; and

(ii) the Compensation Payment which shall be paid as a cash lump sum within 30 days of such termination.

d. Termination of McAfee Agreement by the Company for Cause or by McAfee other than for Good Reason. In the event that the McAfee Agreement is terminated by Company for Cause, as defined therein, or by Mr. McAfee other than for Good Reason as defined therein, the Consultant shall be entitled only to receive, as a cash lump sum within 30 days of such termination, the Compensation Payment earned as of the date of such termination.

9. Change In Control. If a Change in Control of the Company, as defined in the McAfee Agreement, occurs during the Term, the Consultant shall be entitled to the compensation provided in Section 8(a) of this Agreement upon the subsequent termination of this Agreement by either the Company, or the Consultant within two years of the date upon which the Change in Control shall have occurred, unless such termination is a result of termination of the McAfee Agreement as a result of (i) death; (ii) Disability; (iii) Retirement; or (iv) Cause.

10. Assignment. This Agreement shall be binding upon and inure to the benefit of the successors, assigns, and representatives of Consultant and the assigns and successors of Company, but neither this Agreement nor any rights or obligations hereunder shall be assignable or otherwise subject to hypothecation by Consultant (except by will or by operation of the laws of intestate succession or by Consultant notifying the Company that cash payment be made to an affiliated investment partnership in which Consultant is a control person) or by Company, except that Company may assign this Agreement to any successor (whether by merger, purchase or otherwise) to all or substantially all of the stock, assets or businesses of Company, if such successor expressly agrees to assume the obligations of Company hereunder.

11. Indemnification. Consultant shall be indemnified by the Company against all liability incurred by the Consultant in connection with any proceeding, including, but not necessarily limited to, the amount of any judgment obtained against Consultant, the amount of any settlement entered into by the Consultant and any claimant with the approval of the Company, attorneys' fees, actually and necessarily incurred by him in connection with the defense of any action, suit, investigation or proceeding or similar legal activity, regardless of whether criminal, civil, administrative or investigative in nature ("Claim"), to which it is made a party or is otherwise subject to, by reason of its being or having been an agent of, or consultant to, the Company, to the full extent permitted by applicable law and the Certificate of Incorporation of the Company. Such right of indemnification will not be deemed exclusive of any other rights to which Consultant may be entitled under Company's Certificate of Incorporation or By-laws, as in effect from time to time, any agreement or otherwise.

12. General Provisions.

a. Modification: No Waiver. No modification, amendment or discharge of this Agreement shall be valid unless the same is in writing and signed by all parties hereto. Failure of any party at any time to enforce any provisions of this Agreement or any rights or to exercise any elections shall in no way be considered to be a waiver of such provisions, rights or elections and shall in no way affect the validity of this Agreement. The exercise by any party of any of its rights or any of its elections under this Agreement shall not preclude or prejudice such party from exercising the same or any other right it may have under this Agreement irrespective of any previous action taken.

b. Notices. All notices and other communications required or permitted hereunder or necessary or convenient in connection herewith shall be in writing and shall be deemed to have been given when hand delivered or mailed by registered or certified mail as follows (provided that notice of change of address shall be deemed given only when received):

d. Further Assurances. Each party to this Agreement shall execute all instruments and documents and take all actions as may be reasonably required to effectuate this Agreement.

e. Severability. Should any one or more of the provisions of this Agreement or of any agreement entered into pursuant to this Agreement be determined to be illegal or unenforceable, then such illegal or unenforceable provision shall be modified by the proper court or arbitrator to the extent necessary and possible to make such provision enforceable, and such modified provision and all other provisions of this Agreement and of each other agreement entered into pursuant to this Agreement shall be given effect separately from the provisions or portion thereof determined to be illegal or unenforceable and shall not be affected thereby.

f. Successors and Assigns. Consultant may not assign this Agreement without the prior written consent of the Company. The Company may assign its rights without the written consent of the Consultant, so long as the Company or its assignee complies with the other material terms of this Agreement. John McAfee Returns to Public Markets as MGT Capital Agrees to Acquire Security/Privacy Technology

Mr. McAfee to be Chairman and CEO of renamed John McAfee Global Technologies

HARRISON, NY (May 9, 2016) MGT Capital Investments, Inc. (NYSE MKT: MGT) announced today that it has entered into a definitive asset purchase agreement to acquire certain technology and assets from D-Vasive Inc., a provider of leading edge anti-spy software. D-Vasive offers a powerful tool for protection from the proliferation of invasive apps by consumer products companies, social networks, financial institutions and others. These invasive apps can secretly turn on a phone's microphone and camera, as well as monitor geographic movements and access contacts. The D-Vasive technology operates in a unique way, allowing the user to manage and control the device's internal hardware. D-Vasive will be available shortly for Android and Windows platforms, followed by a release for Apple iOS.

In conjunction with the acquisition, MGT is pleased to announce the proposed appointment of John McAfee as Executive Chairman and Chief Executive Officer. Mr. McAfee, the visionary pioneer of internet security, sold his anti-virus company to Intel for \$7.6 billion, and is actively involved in the development of new measures to protect individual freedoms and privacy. Mr. McAfee stated, "The enormous impact of cybersecurity on our lives requires the scale and resources of a public company. Our ability to continue to hire the best minds in the business will be vastly enhanced with a public platform. With the acquisition of D-Vasive technology as a starting point, we expect to grow MGT into a successful and major force in the space." MGT Capital also intends to change its corporate name to John McAfee Global Technologies, Inc.

Additionally, MGT has entered into a consulting agreement with Future Tense Secure Systems Inc., a technology incubator with investments in other applications requiring privacy, such as file sharing and chat. It is contemplated by the parties that future collaborations or investments may occur going forward.

Closing of the acquisition is contingent on customary conditions including approval by MGT's stockholders. Major terms of the deal include the payment to D-Vasive Inc. stockholders of 23.8 million restricted shares of MGT stock and \$300,000 in cash. The proposed share issuance is expected to amount to roughly 47% of the Company on a pro-forma fully diluted basis at closing. More detailed information can be found in the Company's Form 8-K filed this morning with the Securities and Exchange Commission, available at www.sec.gov, or the MGT website at www.mgtci.com.
